### *The School*

IESEG has its own purpose-built facilities at the heart of the beautiful Catholic University campus, next to the tranquil Jardin Vauban and within easy walking distance from student residences and the commercial and cultural centre of Lille. IESEG School of Management was founded in 1964 within the Lille Catholic University, France's largest private university, to train future business executives to Master's level in economics and the full range of management disciplines. One of the most dynamic and fastest growing schools in France, IESEG has achieved membership of the exclusive Chapter of Management

Schools and has established itself as an innovative European business school with an international vision and a commitment to quality education. IESEG's Master of Science in Management degree, the school's flagship program, is a rigorous and demanding 5-year program, which combines advanced theoretical training and significant hands-on experience through internships and projects. The program trains future managers in all the functional areas of management, through both academic study and experience in the workplace. IESEG offers majors and minors in the fields of Finance, Marketing,

Accounting and Auditing, Organizational Behaviour and Human Resources Management, Management Science and Operations Management, Information Systems, Economics and International Business.

### *The City*

IESEG School of Management is located in the centre of Lille, the traditional capital of Flanders and a European metropolis at the heart of France's Nord Pas-de-Calais Region. With 5 European capitals within a 250 kilometre radius, Lille is a strategic cross-road in Northern Europe. The high-speed trains (TGV) put downtown Lille at 1 hour from Paris, 2 hours from London and 40 minutes from Brussels. With 1.2 million inhabitants, the Lille metropolis is the third largest urban area in France. Lille is renowned for its hospitality and its youthful vitality, thanks to its more than 100,000 students.
