

PwC Canada's Business Simulation Games: PwC Assure

Wondering about your career options after university? Curious what it's like to be a PwC Professional in Assurance, our largest business group? Think it's all numbers and math, think again! Find out first-hand by experiencing our fast-paced, team-based and fun Assurance Business Simulation Game.

Right from the start, you'll get an inside look into a career in Assurance. Be engaged and stimulated as you work in teams to ask questions, test assumptions and evaluate whether companies are reporting information investors and others can rely on. See what it's like to combine technical skills and sector experience to help clients address the challenges of a rapidly changing environment and strengthen their businesses. Through the simulation, you will:

Develop: an understanding of Assurance, teamwork and communication skills

Connect: and build your network with our Partners and staff and collaborate with highly talented people

Sharpen: your perspective on how businesses operate as you identify issues and recommend solutions

Impact: your outlook on a career in Assurance and develop a deeper understanding of what it means to be a PwC Professional

Who can apply?

Our Assurance Business Simulation Game is open to all students completing a university degree. It's designed to be of particular interest to those wanting to learn more about a career in Assurance. No prior knowledge of business/commerce/accounting is required.
