

## **PwC Canada's Business Simulation Games:**

### **Risk Assurance challenge:**

What's it like to advise a company on their appetite for risk? Find out first-hand by experiencing our fast-paced, team-based and fun Risk Assurance Challenge Business Simulation.

Right from the start, you'll be engaged and stimulated as you assess risks and possible solutions during this experiential and active assignment developed by our own Risk Assurance Associates. Through the simulation, you will:

**Develop:** an understanding of business risks and controls, teamwork and communication skills

**Connect:** and build your network with our Partners and staff and meet and collaborate with highly talented people

**Sharpen:** your perspective on the world, as you identify risks and recommend controls

**Impact:** your outlook so you start thinking more commercially and develop a deeper understanding of Risk Assurance as a career

### **Who can attend?**

Our Risk Assurance Challenge is open to all students and is designed to be of particular interest to those wanting to learn more about a career in Risk Assurance. No prior knowledge of business/Risk Assurance is required.

Students studying accounting and commerce or those students considering a CPA PREP program are encouraged to apply.

This is an application based event. Students are encouraged to apply via the Google Form here: <https://goo.gl/forms/S7ylbmjck7De2BiD2>
