

PwC Canada's Business Simulation Games:

Tax challenge:

What's it like to advise a company, learn how it works, interact with their people and help them structure their business in the most tax efficient way possible? Find out first-hand by experiencing our fast-paced, team-based and fun Tax Challenge Business Simulation.

Right from the start, you'll be engaged and stimulated as you grapple with real business issues during this experiential and active assignment developed by our own Tax Associates. Through the simulation, you will:

Develop: strategic thinking, business acumen, teamwork and leadership skills

Connect: and build your network with our Partners and staff and meet and collaborate with highly talented people

Sharpen: your perspective on the world and develop new ways of thinking, as you create value for our simulated client

Impact: your outlook so you start thinking more commercially and develop a deeper understanding of Tax as a career

Who can attend?

Our Tax Challenge is open to all students and is designed to be of particular interest to those wanting to learn more about a career in Tax. No prior knowledge of business/Tax is required.

Students studying accounting and commerce or those students considering a CPA PREP program are encouraged to apply.

This is an application based event. Students are encouraged to apply via the Google Form here: <https://goo.gl/forms/S7ylbmjck7De2BiD2>

The application deadline is February 11, 2019, 9:00AM (EST).
